# Types of fostering

There are many ways to get involved with Jenda Foster Care, before or after placement of a child in your care! We provide services to help you obtain your Foster Care License and provide support and services after placement. Ask Jenda more about your options for providing care!

Licensed Foster Home

Kinship/Relative Home

Respite Provider

*Helping families grow the next generation of parents.*

Requirements for potential foster parents **per Nebraska DHHS** include:

- age 21 or above
- APS/CPS/Criminal background screen
- may be married, single, or divorced
- may or may not have children
- may rent or own a home
- willing to complete initial 30 hours of foster care training, and complete continued education requirements per year
- have home meet standards of licensing and participate in home study
  - Ask Jenda Foster Care for more information!

Jenda adopts an intentional, individualized view of providing services to the youth and families in our care. Every family has unique strengths, and we promote partnership to ensure that youth and families are matched for success. We integrate intentionality and personalization in every aspect of our foster care program from our licensing process, having a consistent foster care specialist for your family, and access to Jenda wraparound services.

Jenda Foster Care utilizes the skills and experience of our team by collaborating to create solutions to the unique challenges that arise, assisting other specialists, having communication throughout all aspects of Jenda Foster Care, and more.
